

Door een vakbondsactie is de dienstregeling vandaag ernstig verstoord, waarvoor onze excuses.
 In de tabel hierna vindt u een overzicht van de geplande ritten:
 - de ritten in het groen worden uitgevoerd
 - de andere ritten worden niet uitgevoerd

Bij wijzigingen passen we de informatie zo snel mogelijk aan.
 Opgelet: omdat er 's middags een ploegenwissel is, kunnen we niet garanderen dat een rit die in de voormiddag is uitgevoerd ook in de namiddag wordt uitgevoerd.

Normaliter verloopt de dienstverlening morgen weer volgens het boekje.

De lijnummers 821 en 822 = stadslijnen Lier

De Lijnnummers 901 tem 909 = stadslijnen Mechelen
